

E-FILED 9/2/2008

NOT FOR CITATION
IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF CALIFORNIA
SAN JOSE DIVISION

PHASE FORWARD, INCORPORATED,

No. C05-04232 JF (HRL)

Plaintiff,

**ORDER GRANTING PLAINTIFF'S
MOTION FOR PROTECTIVE ORDER
AND DENYING PLAINTIFF'S
REQUEST FOR FEES**

v.

MARY NOEL ADAMS, individually and d/b/a
PHASE FORWARD, and PHASE FORWARD
LLC,

[Re: Docket No. 101]

Defendants.

On August 29, 2008, plaintiff filed an emergency motion for a protective order to preclude defendants from proceeding with document and deposition discovery of non-party Institute of International Research ("IIR"). Defendants oppose the motion. Plaintiff has filed a reply. Pursuant to this court's August 29, 2008 order shortening time, the matter is deemed submitted without oral argument. Civ. L.R. 7-1(b). Defendants contend that the requested discovery is important evidence that, in fairness, ought to be presented at trial. Nevertheless, discovery has long since closed. Plaintiff's motion for protective order is granted without prejudice to defendants to move to re-open discovery for the limited purpose of seeking the discovery in question. Plaintiff's motion for attorney's fees is denied.

Dated: September 2, 2008
